

MAJESTIC series

The Majestic series imparts sophistication while delivering the industry's only truly frameless enclosures. This series features a solid brass pivot hinge with the ability to handle larger and heavier doors. The Majestic offers durable construction and custom design for luxury homeowners.

ROYAL series

The Royal is our alternative frameless shower enclosure option for handling heavy glass. It features high-performance, German-engineered solid brass wall-mount and glass-to-glass hinges that exceed industry standards. This series conveys quality and adds beauty to your bath.

MATRIX series

The Matrix embodies modern style. This minimal metal construction integrates flawless luxury with effortless operation, satisfying contemporary aesthetic admirers.

REGAL series

The Regal Series is defined by its elegance. This sleek structure features hand crafted solid brass frames with brilliant decorative plated finishes to complement traditional or contemporary designs.

REGAL hybrid series

The Regal Hybrid is the latest visionary design in shower doors. Integrating elegant detail and durable functionality, the Regal Hybrid features hand crafted solid brass frames with solid brass pivot hinges.

EPIC hinged series

The Epic series Semi-Frameless Hinged Door profile offers universal possibilities. Neat and efficient, Epic's smart style will enhance any bathroom concept. Epic offers a clean alternative to bulky, aluminum framed enclosures.

EPIC by-pass series

The Epic By-Pass series exhibits an efficient, superior solution to tub and shower environments. European or traditional designs, a variety of metal finishes, plus multiple glass options create distinction for your bath.

GlassCrafters offers an extensive array of glass styles and creative designs to complement your decor.
